FELLOWSHIP

For 116 years now, families and church-families in the Church of Christ (Holiness) USA have enjoyed comfort, warm fellowship and Christian love while attending our diocese conventions. In our meetings, we've seen generations of young people mature into adults who have led our churches and our movement. Many people across the national can trace their long-lasting friendships, blossoming courtships—and happy marriages back to one of our conventions. We invite you and your family to be a part of our history.
