## Bishop Robert Winn Retires as WMB Chairman

To God be the glory for the things He has done! The members of the World Mission Board salute Bishop Robert Winn and Sister Mattie Winn for their years of service to the World Mission Board, the work of the COCHUSA and the many lives domestically and on foreign soil that have been changed because of their faithful service to God.

Over his 45 years of ministry he has pastored four (4) Churches; presided over two (2) Dioceses of the COCHUSA; the Western Dioceses and the Pacific Northwest Diocese; and Chaired the World Mission Board for over twenty (20) years.

Bishop Winn like many that are called to the uttermost parts of the world, was a little hesitant about the challenge of World Missions but his commitment to do the will of the Master, overrode his self-desires and concerns to GO. As a result of his obedience, God allowed him through the power of the Holy Spirit, to preach the Gospel of Jesus Christ in Liberia, Ghana, Benin, Mali, Belgium, South Korea, Puerto Rico, Honduras, Dominican Republic, Haiti and God has given the increase.

Bishop not only preached in these foreign lands but because of his great love for the lost, he has built lasting, loving and trusted relationships with many of the people. Bishop looks forward to the day that he moves beyond his current health challenge and on to the work that has been God commissioned through the Gloryland Project in Ghana, West Africa. He is excited about how the united efforts of many, will impact this region of the world for Christ. The WMB joins in Bishop's excitement of what the Lord will do.

## Answered Call to Missionary Service Commissioned to GO

The WMB is thankful to God for the two co-laborers commissioned on Monday night of the National Convention as World Missionaries for the COCHUSA.

Shardae and Shardale McAfee are natives of Jackson, Mississippi. They are the children of Shelton and Vivian McAfee, but respectfully appreciative of the village which also contributed to raising them. After high school, they attended Tougaloo College where they both received a Bachelor of Science in Chemistry as well as a Bachelor of Arts in Music. Their post-graduate studies include a Masters of Psychology as well as a Doctorate in Medicine. Some of their additional interests include, teaching, playing the piano, reading, running, and spending time with friends and family. Their recent commission to international missions is one of many dreams that has come to pass. They share that their initial introduction with missions and call was at a local missionary conference in Jackson, Mississippi. Since that time, they have travelled to Honduras, and Mozambique by way of Johannesburg, South Africa. They plan to travel abroad and carry the gospel to the uttermost parts of the earth. At present, they have no one location to commit to because their goal is to go into all the world, preaching and teaching the gospel. For them, they would like to get to know many different cultures and languages, so just one tribe, tongue and language would not be enough.

Acts 1:8

**Mission Statement:** Through the mission outreach of the World Mission Board, the Church of Christ (Holiness) USA provides opportunities for individuals to be actively involved in world wide evangelism to make disciples. Following the example of Christ, we will provide loving and compassionate service to reach the lost and aid the needy; to enable, train and empower individuals to be interdependent, economically self-sustaining peoples; to prepare and equip them to follow this example in order that they also will intentionally seek bringing others to faith in Christ.
